Gifts of Life Insurance Policies

Turn a Modest Premium into a Lasting Impact

Overview

Life insurance is a simple way to make a significant gift. By naming Sage Haven Society as the owner or irrevocable beneficiary of your policy, you can create a lasting legacy for the community.

Benefits

- Modest premium payments result in a large future gift.
- Receive tax benefits for the policy's cash value or premiums.
- Ensure your legacy supports the causes you care about.

How It Works

1. Transfer ownership of an existing policy to Sage Haven Society or name them as the irrevocable beneficiary.
2. Sage Haven receives the policy's value when it matures.
3. You receive tax benefits for your contributions.
